

EXTERIOR

Front View

- The “F” symbol is expressed in the area where the V-shaped radiator grille and the front bumper meet.
- The graduating design of the radiator mesh produces a sense of dynamism.
- The front bumper air intakes ensure performance as well as forming an attractive design feature.

Rear View

- The rear bumper, with 4 exhaust diffusers arranged on a slant, produces a sporty image.
- The rear spoiler, with its graduated profile, boasts an exquisite design.
