

## **Multi Display**

The multi display, which has the 7-inch wide LCD (Liquid Crystal Display) with a pressure sensitive touch panel, is used.

The navigation screen, air conditioning screen and audio screen can all be displayed on the multi display.

- English is used in the speech command system (voice recognition function).
- The language of the touch-screen buttons, pop-up messages and voice guidance can be selected from English, French and Spanish.
- A hands-free function for a Bluetooth-compatible cellular telephone is used.
